

KELLY DUPLEX

New for 2000

Model 18D Portable Bulk Scale
#758 Digital Weight Indicator
with C-cell battery power supply

View of battery operated digital indicator. Indicator provides readout up to scale capacity of 1,000 pounds graduated either in pounds or kilograms

View shows large front wheels and rear swivel caster with brake. Floor level discharge with easily operated slide gate delivers weighed materials out the front bottom of the bulk body.
